## REGULAR PROGRAMME: Executive Management of Business Finance (EMBF)

[A Three year extensive part time Regular Post Graduate Programme]

Well structured programme, curricula at par with Executive MBA programs of international standard, based on international experiences and the need of Indian industry.

### EMBF PROGRAMME MODULE

#### OBJECTIVES

- To enhance the competence and effectiveness of professional managers
- To foster intellectual excellence
- To teach the latest techniques of finance by fostering independent and creative thinking.

#### ELIGIBILITY

Working Executive with atleast three years of work experience at Executive level having Graduation in any discipline from Indian or Foreign university.

#### SELECTION CRITERIA

The admission to EMBF is through group discussions, interview and calculation of Grade Point Score(GPS). NRI/Foreign/Corporate sponsored candidates are exempted from group discussions & GPS. However all such candidates are required to appear for interview. The candidates qualifying the GPS will be called for Group Discussion and Interview. The Final selection is based on the GPS (Grades are given on the basis of candidates past academic records, other achievements, work experient), performance in GD's and personal interview.

## REGULAR PROGRAMME: Fellow Program in Finance (FBA[Finance])

[A Three year extensive full time Regular Research Programme along the lines of Ph.D]

This is a well structured programme, curricula at par with Ph.D of international standard, based on international experiences and the need of Indian Academia.

#### OBJECTIVES

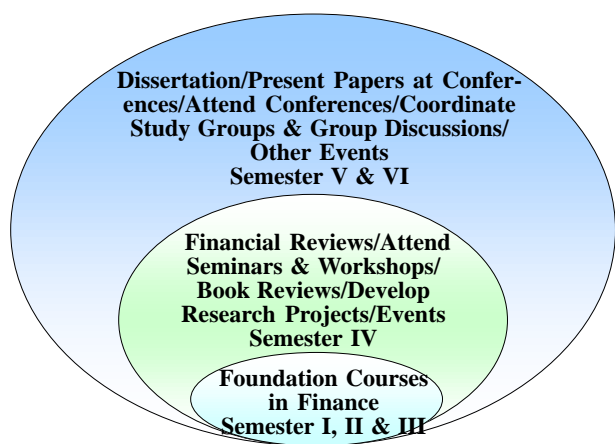

To promote research, Fellow Programme in Finance (FPF) is designed to provide knowledge and analytical abilities necessary to conduct high quality research and teaching in the field of finance.

#### ELIGIBILITY

Post Graduation in any discipline from Indian or Foreign university with first division. MBF from Indian Institute of Finance with first division.

Candidates after one year may be considered for scholarship or teaching assistantship.

### FBA PROGRAMME MODULE

The Fellow programme is designed along the PhD programme. A continuous intergerated approach to research is followed. The Fellow programme is based on course work, comprehensive theory examinations, participation in significant research through economic series in the research workshop, research papers & book reviews. Dissertation and Research/Teaching requirement.

A candidate is required to attend the course work of 18 papers in the first three semesters(1st Year). In the fourth semester he/she is to attend seminars, attempt book reviews and develop research proposal for dissertation under the guidance of the faculty coordinator. He/she is required to present the research proposal to the workshop. The student is to work on the dissertation in the next three semesters and submit his /her thesis after three years of his/her enrollment.

The dissertation should be an original research work making positive and significant contribution to knowledge. It must not have been submitted in part or in full for any other diploma or degree of any university or Institution.
